40th Annual Southeast Florida Scottish Festival and Highland Games

The **Scottish American Society of South Florida [SASSF]** will host the **40th Annual Southeast Florida Scottish Festival and Highland Games** on **March 2nd, 2024**, at **Plantation Heritage Park**. The event is run entirely by volunteers dedicated to sharing our Celtic heritage. Attendance has often topped 7,000 from the tri-county area and visitors from all over Florida, the U.S, Canada, and Scotland.

Costs for hosting this premier event have risen dramatically, hence we have a particular need to secure **Sponsors** to underwrite the participation of our stellar acts.

The Scottish Festival is a very colorful cultural event. Plantation Heritage Park, centrally located for tri-county residents, is transformed into an exciting exhibition of Scottish culture with Pipe Band and Heavy Athletics competitions, Scottish Country & Highland Dancing, Scottish music, craft demonstrations, sheep dog trials, Clan (family) heritage displays, Children's Highland games and cultural activities. Scottish food, drink and merchandise will be on sale. The Festival is attended by people of all backgrounds and all ages who simply enjoy the music, color and fun of the Scottish culture.

You would be featured in the Festival Souvenir Program. You can see a copy of the 2022 Festival program at: [39TH ANNUAL SCOTTISH AMERICAN FESTIVAL PROGRAM](#).

Since our first event in 1984, the **Southeast Florida Scottish Festival and Highland Games** has become well known around the country for the high quality of its organization and featured entertainment. This has included world champion pipe bands and internationally known Scottish entertainers. This year our impressive lineup of entertainers includes **Albannach** from Scotland, **The Mudmen** from Canada, folksinger **Colin Grant-Adams** from Scotland, **Gaelic Singers** from Utah, **Blue Skye Pipe & Drums** from Dunedin, and **The City of Dunedin Pipe Band**, recently the North American Champions and the World Grade 2 Champions, and now the only Grade One Pipe Band in the United States.

The Scottish American Society of South Florida, Inc., is a not for profit 501(c) 3 Florida corporation. Over the years, in addition to providing a community cultural opportunity, the Festival has provided over 135 performing arts and 62 academic scholarships. We look forward to partnering with you to bring your business to the attention of our Festival attendees and are grateful for your support.

We need and appreciate your help in supporting the continuance of the annual Scottish Festival & Highland Games. We are excited about collaborating with you as a Festival sponsor and sharing information about your business with our members and Festival attendees. Please feel free to contact us if you have any questions.
